How will the selections be done?

The 11 quota spots and alternates will be selected and ordered by the NCTA Junior Selection Committee. The selection committee will base the selections primarily on the most recent update of the NCTA Standings List calculated with the up to date results of the 2008 Tar Heel Qualifier. The Junior Selection Committee will also use all available match data including head to head results which may or may not agree with the order of the Standings List. The Junior Selection Committee retains the right to adjust if necessary.

How will you find out if you are selected?

The Selections will be posted on www.nctennis.com Monday, June 9th by NOON. They will also be posted on the 10's Southern Closed Tournament website the afternoon of June 10th.

What if you are listed as an alternate?

Once you have been chosen as alternate in the BG 10's you could be selected to the tournament if someone from the NC quota list is unable to go and notifies the tournament before the draw is made. Once the draw is made, Southern will order the alternates and ask alternates to fill in the draw based on that list as selected players are unable to come and notify the tournament. It is your responsibility to check.
