

Dear Team Captain:

Welcome to the 2009 Super Senior State Championships back in Pinehurst. For many this will be like returning home as this tournament has been held in Pinehurst for all but two years in its existence. We are going all out to see that you have a great time at this tournament.

For those of you whose team wins in Pinehurst, you will advance to the Sectional Championships in Pelham, AL, March 14-16, 2010, where you will compete against teams from the eight other states in the Southern Section.

As you may have already seen, there are some new procedures this year when registering for this event. Teams and players sign up online, cutting out much of the paperwork there has been in the past.
