

New for 2009

1. Registration and payment for the 2009 Combo Doubles State Championships will be online. The fee is \$25 per player. The online Registration and Payment will be found here on this website (www.nccombodoubles.com). All Players must use the Online Registration to register. This is a new procedure for this year, so if you have questions, call 336-852-8577 for assistance. This is not the TennisLink system. Being registered on your team in TennisLink does not register you for the State Championships.
2. We piloted this at Combo last year, so technically it is not new for 2009, so it is more of a reminder. Any player on two or more teams advancing to the NC Southern Combo Doubles State Championships may play for two of those teams, unless those teams are in the same NTRP level (ex. 2 adult 7.5 teams from different local leagues).
 - There will be NO special consideration in scheduling.
 - There is the possibility of several matches in 1 day.
 - The player is considered 2 different people, which requires separate championship fees.
3. DEFAULTS: Defaults at State Championships are unacceptable. It is your team's responsibility to have players on every court at each match. When a team defaults, it can not only affect the outcome of the tournament, but more importantly, it affects those players who showed up ready to play only to find their opponents did not show.

To that end, any team defaulting a court for any reason will be fined \$100 per court defaulted. The fine must be paid in the tournament room prior to the team's next match. If it is a team's last match of the tournament, they must pay prior to leaving. If a team does not pay the fine, all members of that team will be suspended from any USTA League play and until the fine is paid. Any matches played in that time will be reverted to losses.
