

DECLARATION OF PARTICIPATION ON TWO TEAMS

(Must be given to your Local League Coordinator)

For the first time, players are allowed to participate on two teams in the State Championships (as long as they are not in the same level).

North Carolina State Regulations require that any player doing so must declare their intent to play on 2 teams to their Local League Coordinator prior to team entry.

This includes players who are playing on:

- 1 Adult and 1 Senior team
- 2 Adult teams
- 2 Senior teams
