

USTA NC Schools Tennis Update

PE Classes

- **Equipment Kits still available for elementary, middle and high school PE classes that register with a school partner**
- **Pop-up net is supplied by USTA-NC**
- **Trainings available from USTA-NC**

Get free equipment to help you start and maintain an active community youth tennis program. The equipment kit includes an allotment of youth racquets, red balls, barrier tape, chalk, and a printed edition of the Community Program curriculum.

Benefits to Partnering with Schools

- Schools can be the first place a child is exposed to sports
- Build & strengthen relationships with teachers
- Create a “tennis club” at the school
- Develop an after-school program

School Teams

Middle School

- Is there a middle school league in your area?
 - How can you be a part of it?
 - Postseason tournament
- Equipment help
- Try Tennis feed-in program
- JTT

School Teams

High School

- Coaches Workshop / Training
 - Strengthen relationships
 - Creates awareness
- Off-season Tournament
- JTT teams
- Equipment & Grants
