TOURNAMENT CORNER

"WHAT DOES 'CLOSED' VERSUS 'OPEN' MEAN FOR TOURNAMENTS?"

A "closed" tournament simply means that you must be a resident of North Carolina to participate in that tournament. "Open" tournaments are *open* to everyone, regardless of where you reside.

"WHAT DO ALL THE DIFFERENT LEVELS MEAN?"

Level 1-3 National events are included on the USTA National Adult Schedule and sanctioned by the USTA National Office. Sectional Level 4 events are sanctioned by the USTA Southern Section. District Level 5-7 events are sanctioned by USTA NC.

The higher the level of the tournament, the more ranking points that are available for players to earn at that event.

Level 7 (L7)

1-day event, open to anyone. These events are for busy adults who don't have time to commit to a league season. They are ideal for a player who is just starting competitive play or can't commit to a full weekend of tennis. Players can meet and compete against others at the same ability level. While using a shortened scoring format, players will still play plenty of tennis and will get to play against more players.

Level 6 (L6)

Up to 3-day events, open to anyone. These events are for the same type of player who competes in an L7, but can commit more time to tournament play. Players at this level can begin to build a national adult ranking.

Level 5 (L5)

Up to 5-day events (can be non-consecutive weekends), open to anyone. These events tend to be some of the larger and more well attended tournaments throughout the year.
