25-32 teams per Division =	4 teams qualify

Team Match Requirement

Teams may advance from a local league where there is a minimum of two teams in the same division from which the team is advancing. A playoff structure may be established to determine a winner for each division. A team must play at least 3 matches on 3 separate dates to be eligible for advancement.

Wildcard Procedure

The wildcard chart will be used if the number of teams in a division is 7 or 3 or 2. Coaches/managers will be contacted by the LLC if a wildcard is offered. (If there are only 2 teams in a division, the division may be canceled.)

Team Match Format

Team matches consist of 1 singles and 1 doubles match followed by 1 singles and 1 doubles match. Players may play in one or both rounds provided they do not play both singles matches. Total games won determines the team match winner.

**Local Leagues may choose another match format and another method of determining team match winner that meets their needs. They may also choose the method for determining the local league winners.*

Scoring Format

Individual matches play a short set to 6 games with no-ad scoring and a 7-point tiebreaker, win by 1, if the score becomes 5 all.

**Local Leagues may use another scoring format which best meets the needs of the local program.*

STATE CHAMPIONSHIPS POLICY AND PROCEDURE

Team Composition

A team must have a minimum of three eligible players to participate in the State Championships.

**If a team shows up with the eligible number of players but drops below the team minimum before the start of the first match, they will be allowed to play per the discretion of the tournament committee.*

Team Lineups

The coaches/managers for each team shall exchange their team lineup cards simultaneously prior to the beginning of the team match. No substitutions may be made in an individual match after the lineup has been presented, except for injury to, or illness of a player prior to the start of such match and except under such further circumstances as a local/area competition may authorize. If the substitution is made during the warm-up, the substitute is entitled to a five-minute warm-up.

Team Drops Below Minimum

When a team starts the tournament with the minimum number of players but then drops below the minimum due to injury or illness, then the team must default both singles. If they drop to only 1 player then the team would default both doubles matches and one singles match. If a team drops to zero players during the event the tournament committee will default all matches.

Team Substitutions

Local Leagues will decide team substitutions if a team from their league withdraws from the state tournament up to two weeks prior to the tournament start date.

If a team withdraws within two weeks of the tournament start date, then the tournament committee will decide if a local area team may be invited.

More than One Team

If a player qualifies for two (2) or more advancing teams, that player may only play on one of those teams in the State Championship.

Coaching

Coaching is allowed during the 90 second changeover but not during a tiebreak and only by one designated coach for a team match.

10u Monitors

Monitors will be provided for 10u Beginner matches. 10u Intermediate matches do not have monitors.

Determining Winners:

The winner of each flight/division will be determined by the total number of games won.

- **Tiebreak Method at the Conclusion of Round-Robin:**

The tiebreak criteria will be the following:

- If two teams are tied, head-to-head results.
- If three or more teams are tied: the least number of sets lost, then the least number of games lost, then, finally, a spin of the racquet.

- **Tiebreak Method of Championship Finals Match:**

- Both teams will submit a doubles team to play a 7-point match tiebreak win by 1.
- Players for the doubles match may be selected when the tie occurs.

Individual Defaults

An individual default occurs when a player on the line-up card fails to appear by the match time with open available courts at the discretion of the tournament referee. When a team presents a scorecard reflecting a default, the opposing team will be notified and extended the opportunity of adjusting their line-up.

Retirement

A retirement occurs when an individual match has started and a player or a doubles team is unable to continue due to injury, loss of condition or emergency. In case of a retirement, for the purpose of determining standings, the non-retiring player/doubles team shall be credited with such number of additional games as would have been won if the match was completed and the non-retiring player/doubles team won every subsequent game. When entering scores in TennisLink, mark as retired and submit actual scores of matches at the point of retirement.

Grievances

In the event of a grievance and grievance appeals we will follow the Southern Section grievance process.

Waiver of Claims -

A player participating in USTA Junior Team Tennis acknowledges the risks associated with playing tennis, accept those risks voluntarily, and in consideration of their acceptance in the program assume all risks of injury whether property or bodily, waive all claims for any and all injury or damages and agree to release and hold harmless the USTA, any host facility, all officials, employees, volunteers, and agents with respect to any injury or loss caused by negligence or otherwise to the fullest extent permitted, whether in law or equity.

Suspended Players

Any junior player who is suspended from any USTA competition is ineligible to participate in USTA Junior Team Tennis for the duration of the suspension.

Player Agreement

All participating players agree to abide and be bound by the USTA Constitutions and By Laws: The Friend at Court – the USTA handbook of Tennis Rules and Regulations including THE CODE and Wheelchair Rules of Tennis (unless modified by these USTA Junior TEAM TENNIS REGULATIONS) and the standards of good conduct, fair play and good sportsmanship.
