## TOURNAMENT CORNER

### "WHAT DOES 'CLOSED' VERSUS 'OPEN' MEAN FOR TOURNAMENTS?"

A "closed" tournament simply means that you must be a resident of North Carolina to participate in that tournament. "Open" tournaments are *open* to everyone, regardless of where you reside.

### "WHAT DO ALL THE DIFFERENT LEVELS MEAN?"

Level 1-3 National events are included on the USTA National Adult Schedule and sanctioned by the USTA National Office. Sectional Level 4 events are sanctioned by the USTA Southern Section. District Level 5-7 events are sanctioned by USTA NC.

The higher the level of the tournament, the more ranking points that are available for players to earn at that event.

#### **Level 7 (L7)**

*1-day event, open to anyone.* These events are for busy adults who don't have time to commit to a league season. They are ideal for a player who is just starting competitive play or can't commit to a full weekend of tennis. Players can meet and compete against others at the same ability level. While using a shortened scoring format, players will still play plenty of tennis and will get to play against more players.

#### **Level 6 (L6)**

*Up to 3-day events, open to anyone.* These events are for the same type of player who competes in an L7, but can commit more time to tournament play. Players at this level can begin to build a national adult ranking.

#### **Level 5 (L5)**

*Up to 5-day events (can be non-consecutive weekends), open to anyone.* These events tend to be some of the larger and more well attended tournaments throughout the year.
