Recap from Kelly Gaines

JANUARY 21, 2021

From Kelly Gaines:

We would all liked to have walked the long hallway from the elevators to our meeting rooms with those creaky floors below us and history parading beside us! We would have all liked to see each other, congregate in the Cardinal Ballroom with our vendors, old friends and new friends! But, like most of the last year, we did make the best of it. We just concluded our Tennis Weekend Month with lively discussion and plans for the year ahead. Our committee meetings (beginning January 5th) were populated throughout the month, were well attended and all were engaged.

Many thanks to our Committee Chairs, Members, Boards and USTA NC staff for making it all work!

We will rest in confidence that we will be back together in Pinehurst on January 20-23, 2022!

"The improved website identifies and reflects the Foundation's mission to support organizations and programs that enhance the lives of people through tennis and education," Kelly Lombardino, NCTF Director of Development & Programs, said. "I invite you to explore the site to learn about the many ways to participate, support and make a difference in the lives of others."
