

Dani Broadstreet

DIRECTOR OF ADULT PLAY

Dani joined USTA NC in May 2020 as the Director of Adult Leagues (during a global pandemic). Prior to joining NC Tennis, Dani was associated with GTP Foundation as the NJTL Director. At GTP, she helped create a USTA National Junior Tennis And Learning Chapter, an Excellence Team, created new programming for underserved youth and worked with the Board of Directors to create a strategic plan for the Foundation. Her background is in Public Relations, Marketing and Communications. She has both an undergraduate degree and an MBA from UNC-Greensboro.

Dani has always been active and played three sports growing up, but not tennis. She caught the tennis bug when her children were young and has been playing ever since. She enjoys hiking, running, tennis, travel, and spending time with her family and friends.

Who is your favorite professional tennis player?

I can't narrow it down, so top three favorite Probably Nadal because of his work ethic and competitive spirit. I also love DelPotro because of what he has had to overcome and Arthur Ashe because of the life he lived and the legacy he left behind. On the women's side, I love watching Coco Gauff because I used to see her at junior tournaments with my son!

What is your favorite part of your job?

I'm just getting started but I most look forward to getting to know league players from all over the state and working with league coordinators and the NC Tennis staff. It's an amazing group of people!

What do you like to do in your free time?

Most of my free time is spent watching my oldest son play tennis and my youngest son play soccer. They are growing up fast so I cherish watching them do what they love. I also love to travel, hike, run and read.

What is your dream vacation?

Last year, my sister, my mom, and I took a dream vacation in Italy for Mom's 75th birthday. I'd love to rent a villa in Tuscany with friends and family for about a month (with a cook, of course)!

What actor would play you in a movie about your life?

Diane Lane, because, why not!
